**ORDER**

Due to conflicts in the Court's docket and because Defendant's motion for summary judgment (Doc. No. 56) will not be ripe for review until April 29, 2021,<sup>1</sup> the Court needs to reschedule the May 25, 2021 trial date. Accordingly, the May 25, 2021 trial is **CANCELLED**.

Before the Court will reschedule a new trial date, the parties shall first engage in another formal attempt to resolve the case. On or before **April 23, 2021**, the parties shall confer and file a joint notice setting forth: (1) their agreed mediator; and (2) the date or dates of the mediation. If the parties cannot agree on a mediator within the time limit allotted, the Court will select a mediator for them. And if the parties' mediation proves unsuccessful, the parties shall then file a joint motion to set a new trial date.

IT IS SO ORDERED.
